Year 2 Capstone: Qualifying Examination Paper

At the end of the second year of coursework students will complete a qualifying exam that consists of two parts. The first part, Big Ideas and Questions, is a 2 page, double spaced, review of 1 of 11 bibliographies that Azrieli faculty have assembled (but not the same one as year 1). The second part, the preliminary proposal, is a 10-page, double spaced, proposal that integrates research in a particular domain and concludes with a study proposal for the student's dissertation. More information on the capstone can be found below.
