

REQUIRED PRE-MED COURSES

All students, regardless of major, must complete the following courses for medical school admissions. Students with ~~A~~ credit in science subjects should speak with the Pre-Health Advisor as soon as they arrive on campus. All coursework, except for Calculus, should be completed BEFORE taking the MCAT exam. Calculus is not on the exam but a strong working knowledge of statistical analysis will be needed. Students in non-science majors should especially consider taking PSY. STAT 1021 before they sit for the MCAT.
