Most successful applicants have a combined score of at least 1100 in one sitting, on the critical reading and math sections of the SAT I or an equivalent score of 24 on the ACT.

Optionally, applicants may also take subject-matter achievement tests such as those of the SAT II testing program of the College Board.

Applicants should take the SAT I/ACT in the spring of the junior year of high school or fall of the senior year. If these tests are taken in the fall of the junior year, they should be taken by the end of the year.
